We review and study the presentations from our renowned scholar - Dr. Shabazz.

Learn from the man responsible for educating over half of the Ph.D.s in Math--Dr. Abdulalim Shabazz--and other proven math educators. Together we help to heal the past disconnects that we or our children have in math. We stand for math excellence for every child and every parent. We teach you how to get them and yourself there. Our secret: *we teach to the intellect, the humanity & the spirit.*

### Dancing Geometry

*Learn how to use culture, context and an interdisciplinary approach to make learning stick!*

**Prof. W** *Stop doing the same thing. You'll get the same results! Do something different: exceed State Standards!*

### Inevitable Math Mastery

**Afiya Madzimoyo**  
**Math via Family Stories**

*Georgia QCC Alignment for teachers and Home-schoolers*
